Let **TIME PRINTERS** help you
advertise your business ...

Have your mailer hand delivered to every mailbox along chosen routes.

EDDM is a cost-effective alternative to traditional direct mail that allows you to saturate the market and promote to every household or business in a desired geography. No more mailing lists. Let the USPS do the work of creating precise lists to target specific areas, saving you the hassle and cost of generating your own.

3 Easy Steps:

- ✓ **WE** create your mailer
- ✓ **YOU** choose delivery routes (zipcodes)
- ✓ **USPS** will deliver
